Requirements Management: A Practice Guide Project Management Institute

Requirements Management: A Practice Guide is a bridge between A Guide to the Project Management Body of Knowledge (PMBOK Guide), which speaks to requirements development and management from a high-level perspective, and Business Analysis for Practitioners: A Practice Guide, which describes requirements development and management at a detailed and practical level. This practice guide is the middle ground, offering project managers, program managers, teams members and stakeholders the opportunity to learn more about the requirements process
