**Shadows (A Lux Novel)** Jennifer L. Armentrout

*Prequel novella to the bestselling Lux series*

The last thing Dawson Black expected was Bethany Williams. As a Luxen, an alien life-form on Earth, human girls are...well, fun. But since the Luxen have to keep their true identities a secret, falling for one would be insane. Dangerous. Tempting. Undeniable.

Bethany can't deny the immediate connection between her and Dawson. And even though boys aren't a complication she wants, she can't stay away from him. Still, whenever they lock eyes, she's drawn in. Captivated. Lured. Loved.

Dawson is keeping a secret that will change her existence...and put her life in jeopardy. But even he can't stop risking everything for one human girl. Or from a fate that is as unavoidable as love itself.
